

Sample Health and Safety Notice

USE OF BENCH GRINDER

Only authorised persons to use equipment after appropriate training.

Tie up loose clothing and long hair securely whilst using the machine.

Use work rest as necessary.

Keep hands clear of the grinding wheel during use.

Use correct type of disc for the task.

Do not grind using the side of the wheel.

Guard to be used.

Eye protection should be worn.

Turn off on the machine not on the wall.

If equipment is faulty in any way DO NOT USE. Report the fault to Shed Co-ordinator and place the 'DO NOT USE' notice on the item.
